

OLALLIEBERRY INN

Here are a few wineries near us that I would recommend for tastings (grouped by proximity to each other). Please call for current hours and to make reservations.

Cambria/Harmony (10 min drive from the inn)

Stolo Winery: (805) 924-3131

Notes: Picturesque grounds and relaxing place to hang out, taste wines and enjoy some snacks.

Harmony Cellars: (805) 927-1625

Notes: Nice whites including Chardonnay & Riesling.

San Simeon (15 min drive from the inn):

Hearst Ranch Winery: (805) 927-4100

Notes: Pretty location right near San Simeon Beach. Short walk from the tasting room to see the elephant seals.

Hwy 46 (about 20 min drive from the inn):

Niner: (805) 239-2233

Notes: Wonderful place to have lunch and roll right into a tasting; they have a beautiful outdoor dining patio and wonderful food.

Castoro Cellars: (805) 238-0725

Notes: Excellent reds, you can catch live music if you time it right.

Dark Star: (805) 237-2389

Notes: This is the dive bar equivalent of wineries, with ax throwing and dogs and chickens running around. Fun and kitschy!

Turley Cellars: (805) 434-1030

Notes: Old vine Zinfandel.

Tin City (about 30 min drive from the inn)

Tin City Website with helpful information: <https://www.tincitypasorobles.com>

Notes: This is about 4 square blocks of tasting rooms, anchored by a great tap room, Barrel House, with nice outdoor seating (if you want to take a break from wine and try artisan beer). Or have fantastic burger at McPhee's Canteen.

Also here is a great gourmet food shop called Etto, ice creamery called Negranti, and olive oil tasting room called Olives de Oro.

Winery tasting rooms here are mostly small batch production, including these notable labels:

Aaron Wines: (805) 369-2037

Field Recordings: (805) 503-9660

The Fableist: (805) 246-1431

ONX: (805) 434-5607

Sans Liege: (805) 773-2770

Vineyard Drive, Paso Robles (about 45 min drive from the inn):

Halter Ranch: (805) 226-9455

Notes: Rhone & Bordeaux style wines. They have beautiful grounds and a great restaurant to grab lunch.

Opolo Vineyards: (805) 238-9593

Notes: Enjoy a woodfired pizza before or after a tasting. They're known for big reds.

Denner Vineyards: (805) 239-4287

Notes: Rhone & Bordeaux style and very interesting whites.
